(continued through overleaf in F.O's report)

2. The proposed exchange was recommended by the Divisional Forests Officer, Belgaum, after personally seeing the lands in question under his endorsement No. G/575 dated 16/5/1937 (Page 55) and the proposal was approved by the Collector under his endorsement No.FAD-135 dated 28/29-6-1937 (Page 58) who asked the Divisional Forests Officer, Belgaum, to send necessary draft notification for further action. Thereafter, much time was spent in getting the relinquishment from the applicant Shri Hebbalkar and in getting the above lands -- measured by the forest Department and Land Records Department, The encroachments on the above lands by adjoining owners had to be removed after hearing -- their objections to the above proposal. The Draft notifications under Sections 4 and 27 of the Indian Forest Act were received from the Divisional Forest Officer under his letter No.G-11/2954 dated 22/6/1950 (P-183) which were submitted to Government under this office letter No.FADSR-135, dated 18/7/1950. But the Government in Agriculture and Forests Department, in their endorsement No.S-36/3/41734-J, dated 6/9/1950 pointedout some discrepancies in the draft notification and directed the Collector to submit the revised draft Notifications through the Conservator of Forests, S.C., Belgaum. After consulting the Divisional Forest Officer and the District Inspector of Land Records, Belgaum, the revised draft Notifications were submitted under this office No.FADSR-135, dated 27/11/1950 (P-245) which were published under Agriculture and Forests Department No.S-36/3/61140 (b) and (C) dated 16/12/1950 (Pages 247 to 251). Thereafter, 2½ years elapsed in taking possession of the disforested lands by the Revenue Department from the forest Department after measurement and in changing Revenue records etc.

Ultimately the Assistant Collector, Belgaum Division Belgaum (to whom the papers were sent for necessary action) pointed out in his endorsement No.LNDSR-338 dated 8/7/1953 (P-337) that there was a discrepancy of A-G 3-1 in the area as a result of non-relinquishment of the said area by the applicant. Relinquishment for that much area was then obtained from the original applicant's son (as the applicant was then dead) and Revenue Records changed.

3. Thus the lands in question have been got disforested and afforested, with a view to enabling th exchange of the same as per applicant's request which was recommended by Divisional Forest Officer, and appr ved by the Collector as stated in para 2 above. But i appears that through oversight Government sanction to the said proposal remained to be obtained. In the circumstances, Government may kindly be moved to accor necessary sanction now to the exchange of Government A--G- A lands measuring 17-29-8 for 18--0- of Halki lands detailed at page 411 and to regularise the matter, so as to enable this office to correct the village record suitably as per actual possession and wahiwat of the Forest Department and the applicant, Shri Yadoba Govin Hebbalkar of Tivoli and to close the case, which is pending since a long time, finally.
